So you have some content, maybe a blog article or a lengthy report, and you want to turn it into an infographic.. You know that visuals can make your content more engaging, more memorable, and easier to understand, but you have no idea where to start.. While it might be tempting to just copy and paste your text into a template right away, that rarely ends well.

North South University is the first private university of Bangladesh, It was established in 1992. Approved by the University Grants Commission (UGC) of Bangladesh.

### **Home | North South University**

Self-organization, also called (in the social sciences) spontaneous order, is a process where some form of overall order arises from local interactions between parts of an initially disordered system. The process can be spontaneous when sufficient energy is available, not needing control by any external agent. It is often triggered by random fluctuations, amplified by positive feedback.

A not always very easy to read, but practical copy & paste format has been chosen throughout this manual. In this format all commands are represented in code boxes, where the comments are given in blue color. To save space, often several commands are concatenated on one line and separated with a semicolon ';

Wayfinding is the organization and communication of our dynamic relationship to space and the environment. Successful design to promote wayfinding allows people to: (1) determine their location within a setting, (2) determine their destination, and (3) develop a plan that will take them from their location to their destination.
