JumpStart Adventures 3rd Grade: Mystery Mountain is a personal computer game in Knowledge Adventure's JumpStart series of educational software. As the title suggests, the game is intended to teach a third grade curriculum. This is the only version of this game created and, unusually for Knowledge Adventure, was still being sold over fifteen years after its initial release in 1996.

Bird Feeder. Building a bird feeder and studying birds from your neighborhood can make excellent 2nd grade science fair project. First of all let's check what kind of birds you may expect to see.

### **2nd Grade Science Fair Project Ideas - Science Projects.**

From their very first day in school, students should be actively engaged in learning to view the world scientifically. That means encouraging them to ask questions about nature and to seek answers, collect things, count and measure things, make qualitative observations, organize collections and observations, discuss findings, etc. Getting into the spirit of science and liking science are what ...
