Check if you haven't saved the macro to Personal.xls which stays hidden. You can un-hide it Go to Window Unhide (if not greyed out) When recording a macro you have the 'choice' of saving your code to 'This

Excel vba code disappears when saved workbook is re opened

Excel's VLOOKUP function is a basic but powerful feature available for you to make the most of the data in your spreadsheets. For new users, VLOOKUP may seem like a mystical, complicated affair, but when you break it down, it becomes a simple ally for getting your data into the right places, whether you are pulling it from other workbooks, worksheets, or just across the page.

VLOOKUP Examples: An Intermediate Guide | Smartsheet

Once you have identified your target behaviors, you will fill out a diary card once a day. If you do not fill it out, you will need to discuss this with your clinician during session. The diary card is a way to keep track of different feelings, thoughts and urges you may have had that day. You will be given blank diary cards with this workbook.

Event/Situation: - Mark Purcell

We take breathing for granted; it's there all the time. Even when we're not paying attention at all, it's there supporting us. It is one of the few physiological functions that is both involuntary and voluntary -- we can alter it when we choose to. There are many practices and religions that use breath control as a practice.

What's New at MMM Free Response Question Database (4/20/19). For those teachers who frequent the AP Central website (<https://apcentral.collegeboard.org>), we have put together a database of free-response questions since the year 1998. It classifies the calculus topics of every question (AB and BC) so that teachers can find free-response problems that cover specific techniques.
