Mind Trick Questions. Hard questions to answer provide a challenge for even the most intelligent individual. You must take your time, read the questions carefully, and think before attempting an answer. Be careful, because your first guess may not be correct on these mind trick questions.

### **114 Trick Questions with Answers [Funny Mind Trick Questions]**

The question-answer relationship (QAR) strategy helps students understand the different types of questions. By learning that the answers to some questions are "Right There" in the text, that some answers require a reader to "Think and Search," and that some answers can only be answered "On My Own," students recognize that they must first consider the question before developing
