Essentials of Corporate Finance - mheducation.com

To be sure, there's no proven formula for success, particularly when it comes to innovation. While our years of client-service experience provide strong indicators for the existence of a causal relationship between the attributes that survey respondents reported and the innovations of the companies we studied, the statistics described here can only prove correlation.

The eight essentials of innovation | McKinsey

The course is designed to provide students with insights into the complex environment that organizations of any size operate. Organizational leaders' and organizational members' responsibility to use ethical thinking to balance stakeholder interests with organizational duty are examined.
