Match Game is an American television panel game show that premiered on NBC in 1962 and was revived several times over the course of the next few decades. The game featured contestants trying to come up with answers to fill-in-the-blank questions that are often formed as humorous double entendres (beginning in the CBS run), the object being to match answers given by celebrity panelists.

What do you mean by item and end product? The item is what you purchase from Envato Market. The end product is what you build with that item. Example: The item is a business card template; the end product is the finalized business card. The item is a button graphic; the end product is an app using the button graphic in the app's interface.
