The mathematics portion of the SAT is divided into two sections: Math Test – Calculator and Math Test – No Calculator. In total, the SAT math test is 80 minutes long and includes 58 questions: 45 multiple choice questions and 13 grid-in questions. The multiple choice questions have four possible answers; the grid-in questions are free response and require the test taker to provide an answer.

Is the damage you speak about to the eyes permanent? I ask because recently I've been having major work done and even though the assistant is being careful about where the light shines it still ends up blinding me because all the work is being done on my front teeth, upper and lower and the intensity is much worse while the work is being done on the upper teeth.
