Stamp duty is a tax that is levied on documents. Historically, this included the majority of legal documents such as cheques, receipts, military commissions, marriage licences and land transactions. A physical stamp (a revenue stamp) had to be attached to or impressed upon the document to denote that stamp duty had been paid before the document was legally effective.

Stamp duty was first introduced in England on 28 June 1694, during the reign of William III and Mary II, under "An act for granting to their Majesties several duties upon vellum, parchment and paper, for four years, towards carrying on the war against France". In the 1702/03 financial year 3,932,933 stamps were embossed in England for a total value of £91,206.10s.4d.
