Redwood Plastics

With a large collection of commercial outdoor playground lines, it's no wonder we're a playground manufacturer that has been enriching the lives of children for over 30 years. Our commercial equipment includes play structures, recycled post and deck structures, education-based play environments, swing sets, and indoor modular playgrounds.

Commercial Playground Equipment | Outdoor Recreation ...

No two playgrounds are alike, and at Miracle Recreation, we don't believe in cookie-cutter solutions. No matter whether you have specific needs, a unique vision or challenges related to terrain or space, we create customizable and personalized playground equipment.

Miracle Recreation | Commercial Outdoor Playground Equipment

Some plastics are easier to discuss than others. For example, although we recently wrote an article on the properties of polyurethane, most (if not all) people have at least heard of polyurethane and likely encountered it in certain consumer products like skate wheels. Industrial laminates, commonly called "phenolics", are a different matter.

industrial | REDWOOD PLASTICS

Redwood Plastics and Rubber can provide this service in two ways. Firstly, you can ship your existing steel forklift socks to our Langley, BC, Canada facility and we can re-coat the socks in-house. Alternatively, we can machine the complete new steel socks, coat them, and send them to your facility.
