Snab Activity Answers

The 'Check your notes' activity sheet for each topic is always the last activity number in any SNAB topic. For example, for Topic 1 'Lifestyle, health and risk' it is Activity 1.26. The specification material is covered in the textbook, which along with your own work and notes should be your first revision resource.

This booklet looks primarily at the rainforest and covers how plants adapt to their environments, food webs, the water cycle, how humans use the rainforest and how it can be sustainable. Tasks include wordsearchs, word fills, match ups, comprehension and w...

Environments And Ecosystems - TES Resources

1 You can collect material for this activity by cutting and freezing suitable rings of blood vessel tissue each time you have material for a heart/ lung dissection. Talk to your local butcher or abattoir about your needs. A 'pluck' - with heart and lungs still attached to one another - will provide greater lengths of blood vessels.
