Membean helps students remember vocabulary for the GRE/SAT/ACT. It tunes into students' forgetting patterns and teaches words in multiple ways by applying learning techniques from linguistic research.

Roots Trees - Membean

Fireweed is a pioneer. It's tiny seeds ride the wind like parachutes and begin new life where fate carries them. Even in clear-cuts, roadsides and burns, fireweed plants itself and rises up – stately, steadfast and strong. It rarely stands solo. Fireweed builds a thriving plant community through spreading seeds and lateral root networks.
