A race is a grouping of humans based on shared physical or social qualities into categories generally viewed as distinct by society. First used to refer to speakers of a common language and then to denote national affiliations, by the 17th century the term race began to refer to physical (phenotypical) traits. Modern scholarship regards race as a social construct, an identity which is assigned ...

Proteinuria is a general term that describes the presence of any type of protein in the urine (e.g., albumin, globulins, mucoproteins, and Bence-Jones proteins); however, albumin is the predominate protein in urine in healthy dogs and cats as well as dogs and cats with renal disease.

Proteinuria: Measurement and Interpretation - ScienceDirect

1. Introduction. Pulse crops belong to the family of cool season, annually grown leguminous crops (Maiti & Wesche-Ebeling, 2001). They are legume crops that are harvested for their seed only and do not include legumes which are grown for oil, such as soybean (Nwokolo & Smartt, 1996). Consequently, pulse crops include dry pea, chickpea, lentil and lupin, along with various types of dry bean such ...
