In the last issue, we started our discussion of John Dee and Edward Kelley's Great Table of Earth by noting that this Table, with its Four Watchtowers and Black Cross, is the last received and most complex component of a system that many have used, proclaimed as powerful, and cautioned others about using haphazardly. We suggested it might be a wise idea to understand what Dee and Kelley ...

While it was that way for the master it was a little different for the servant. I assumed the identity of my brother in law Manjunath (my sister in laws husband) who had passed away on the 30 th of April this year. The way they were trying to get the info was quite interesting and not a very good example of cold reading.

In Sanskrit verbal adjective sāṃskṛta-is a compound word consisting of sam (together, good, well, perfected) and kṛta-(made, formed, work). It connotes a work that has been "well prepared, pure and perfect, polished, sacred". According to Biderman, the perfection contextually being referred to in the etymological origins of the word is its tonal--rather than semantic--qualities.

Sanskrit - Wikipedia

According to William Kentridge, "The Rebus sculptures [are] as hieroglyphs, placed in a line like a line of letters or words or syllables which can be rearranged to make new sentences." The project started out as a collection of drawings portraying how images are able to transform. The practice was then extended to cardboard cut-outs and then into three dimensional cardboard sculptures.
