A wicked problem is a problem that is difficult or impossible to solve because of incomplete, contradictory, and changing requirements that are often difficult to recognize. It refers to an idea or problem that can not be fixed, where there is no single solution to the problem. The use of the term "wicked" here has come to denote resistance to resolution, rather than evil.

Learn how you can let go of negative thoughts and move on with life without getting caught up ruminating. Rumination is a negative downward spiral way of thinking and while it seems to make sense to think things through over and over again to find THE solution, there are problems that you simply can not solve on the same level.
