It is common for used texts to be resold, especially among home educators, and the lack of an answer key can be inconvenient. Some online sites provide access to Saxon answers with either free or paid registration. It is important to verify that editions match as problems and formats may be changed slightly in later releases.

The sequence of lessons and tests is administered by the Checker in the order prescribed by the Saxon publishers. The student works his practice and test problems using paper and pencil, as usual. As he completes each problem, he enters his answer in Dr. Aardsma's Saxon Math Checker. The Checker checks the answer.
