Preface to the Second Edition. The present edition of this History of Islamic Philosophy, which was first published in 1970, embodies a number of changes which I hope will make this book even more useful to the reader than the first one. A number of corrections have been made throughout the book, the final chapter expanded somewhat and the bibliography updated and rearranged.

The Second Amendment (Amendment II) to the United States Constitution protects an individual right to keep and bear arms. It was ratified on December 15, 1791 as part of the Bill of Rights.. In District of Columbia v. Heller (2008), the Supreme Court affirmed for the first time that the right belongs to individuals, exclusively for self-defense in the home, while also including, as dicta, that ...
