We have observed that an increase in the tension of a string causes an increase in the velocity that waves travel on the string. In this activity we will examine the precise relationship between tension (T) the force applied to the string, the wave speed (v) and the linear mass density of the string ($\mu = m/L$ which is measured in kg/m).

PhysicsLAB: Relationship Between Tension in a String and ...

Introduction. My solar tracking mirror array or “death ray” as it is affectionately referred to by my friends is actually a heliostat. A heliostat is technically any device that tracks the movement of the sun, but most often the term refers to a device that orients a mirror to reflect sunlight continuously onto a specific target.

Build a heliostat for solar heating and lighting ...
