Skills to manage customer escalations need to be part of any successful manager's toolkit..

Google's Dictionary defines escalation as "an increase in the intensity or seriousness of something; an intensification". When customer expectations are not met or they feel that their views have not been heard, it is human nature to want to "intensify" and escalate to the next level.

10 Tips To Master Customer Escalation Management - The ...

April 14, 2015 Dear All Welcome to the refurbished site of the Reserve Bank of India. The two most important features of the site are: One, in addition to the default site, the refurbished site also has all the information bifurcated functionwise; two, a much improved search - well, at least we think so but you be the judge.
