Identifying the narrator's view point is an essential reading skill that is often assessed on standardized tests. It's recommend that you discuss the narrative perspective of each text that you introduce to your students, but if your students need rapid improvement at identifying the narrator's view point, then you'll want to use these worksheets.

- [Teacher] If you wanna provide better security for your data, and possibly if you've got multiple users using the same workbook, you wanna be aware of two commands. One for protecting the workbook, one for protecting the worksheet. We're looking at the file 11-Protection, and the very first sheet is called Worksheet Protection. Let's first talk about protecting a workbook.
