Terminology. The term Parliament is used in a number of different senses. First, it refers to the institution made up of a group of people (Members of Parliament or MPs) who are elected to discuss matters of state. Secondly, it can mean each group of MPs voted into office following a general election. In this sense, the First Parliament of the independent Republic of Singapore sat from 8 ...

ENDNOTES. 1 I first proposed and defended the interaction approach for humans in the 1960s. At this time it was generally believed that orientation and identity were solely products of the environment and upbringing (Diamond 1965, 1968, 1995b). Since then I have presented this view many times from different perspectives; see the References for details.

Polygamy (from Late Greek πολυγαμία, polygamía, "state of marriage to many spouses") is the practice of marrying multiple spouses. When a man is married to more than one wife at a time, sociologists call this polygyny. When a woman is married to more than one husband at a time, it is called polyandry. If a marriage includes multiple husbands and wives, it can be called a group marriage ...
