Saxon Grammar and Writing (SGW) uses the same educational methodology that has popularized the Saxon math books. Courses for grades four through eight are designed so that students can do much of their work independently. Saxon Grammar and Writing 3, a new course for third graders published by Hake Publishing, is also available but is reviewed separately.

King Arthur was a legendary British leader who, according to medieval histories and romances, led the defence of Britain against Saxon invaders in the late 5th and early 6th centuries. The details of Arthur's story are mainly composed of folklore and literary invention, and his historical existence is debated and disputed by modern historians. The sparse historical background of Arthur is ...
