Asking and answering questions with a peer is much more engaging than filling out a worksheet...that is for sure!! So, instead of giving students a list of comprehension questions to answer silently after reading, have students generate a few questions about a text and then work with a partner to talk about the answers.

Inquiry-based learning (also enquiry-based learning in British English) is a form of active learning that starts by posing questions, problems or scenarios. It contrasts with traditional education, which generally relies on the teacher presenting facts and his or her knowledge about the subject. Inquiry-based Learning is often assisted by a facilitator rather than a lecturer.
