Current status. The government ensures the quality of care through federal standards. The government does not participate in day-to-day care or collect any information about an individual's health, which remains confidential between a person and their physician. Canada's provincially based Medicare systems are cost-effective because of their administrative simplicity.

Healthcare in Canada - Wikipedia

Well, I might as well come clean on our spending for last year. It either went up, or way up, depending on how you want to account for things. Every year, this annual report seems to come out a little bit later – mostly because I'm no longer all that interested in how much money we spend. And ...
