Sometimes shoulders just seize up, painfully and mysteriously: frozen shoulder. [Mayo] It comes with other diseases, usually diabetes, or it follows traumas or periods of immobilisation — hold the shoulder in one position for long enough, and it actually may get stuck there. The shoulder is the only joint that often “freezes” like this.<sup>1</sup> Frozen shoulder is a biological puzzle, and a ...

Companion Portable Liquid Oxygen (LOX) offers medical oxygen therapy for patients who require continuous oxygen flow. The advantage of Portable Liquid Oxygen over oxygen concentrators is less weight, longer supply, very few parts subject to wear, and higher oxygen flows. Compared with oxygen cylinders or oxygen tanks, the LOX portable oxygen machine generally offers less weight, longer supply ...

Marie Charlotte Carmichael Stopes (15 October 1880 – 2 October 1958) was a British author, palaeobotanist and campaigner for eugenics and women's rights. She made significant contributions to plant palaeontology and coal classification, and was the first female academic on the faculty of the University of Manchester. With her second husband, Humphrey Verdon Roe, Stopes founded the first birth ...

Spike sorting is a crucial step to extract information from extracellular recordings. With new recording opportunities provided by the development of new electrodes that allow monitoring hundreds of neurons simultaneously, the scenario for the new generation of algorithms is both exciting and challenging.

### Past, present and future of spike sorting techniques ...

Pests of bamboos cultivated in western gardens. While there are currently no invertebrate pests or diseases that threaten to kill mature bamboos in western cultivation, a range of bamboo pests can damage or disfigure them to varying degrees.

The Hoek-Brown criterion was introduced in 1980 to provide input for the design of underground excavations in rock. The criterion now incorporates both intact rock and discontinuities, such as joints, characterized by the geological strength index (GSI), into a system designed to estimate the mechanical behaviour of typical rock masses encountered in tunnels, slopes and foundations.

### The Hoek-Brown failure criterion and GSI - 2018 edition ...

Recent advances in cell biology and genetic engineering have changed the way we think about medicine. Indeed, we are witnessing a potential shift from the traditional paradigm of health care to one with greater focus on the possibility of regenerative and curative treatments. Regenerative medicine (RM) can be defined as “self-healing through endogenous recruitment or exogenous delivery of ...
