Basics in Building a Budget. In this lesson, part of the "Plan, Save, Succeed!" unit, students use sample student monthly expense and income information to understand how a budget is created, and how it can be analyzed using percentages. This exercise is designed to encourage students to consider the role of saving money in financial planning.

### **Basics in Building a Budget | Scholastic**

One of the best things you can do when you are in college is to create a budget for the school year. It may be the most important step after graduating from high school. It is similar to an annual

budget, and it works well for college students because the cost of tuition and the expenses through the year vary. When you do this, you can have a set earnings goal that you work towards each summer.
