A New Market Standard – Powered By Amber. Amber powered smart products set a new standard for IoT enablement, with superior safety, solid state quality and uniquely more expansive smart feature scope – all within a home or building's standard existing electrical footprint such as a single gang box and circuit breaker.

Amber Solutions

We built our Safe Browsing technology to protect web users from malware and phishing attempts by alerting users when they try to visit dangerous websites. Safe Browsing protects more than just Chrome users – to make the Internet safer for everyone, we made this technology free for other companies to use in their browsers, including Apple's Safari and Mozilla's Firefox.
