Enterprise Architect vs. Solution Architect vs. Technical ...

Good analogy: Urban (Town) Planning vs Architecture. Enterprise vs Solution Architecture A slight detour. Here is a real-life example: a few days ago I talked to an Architect from real and large UK IT company. His role is apparently: "Azure Solution Architect". Hi certainly knew the intricacies of the platform.

Enterprise Architect vs Solution Architect | dbj(org);

Of course this isn't to say that being an Enterprise Architect is necessarily better than being a Solution Architect. There's certainly enough work to go around and often you may find yourself wearing both hats at the same time.

Four Key Differences Between a Solution Architect and an ...

Finally, even this last picture doesn't satisfy me entirely. In the end, there may not be a difference between enterprise architecture, solution architecture and technical architecture but the 'size' of the subject. Enterprise architecture is just solution architecture, but at a larger scale: 'the enterprise'.

Technical vs. solution vs. enterprise architecture: a ...

Enterprise architecture defines strategic directions of the business architecture, which then leads to an understanding of what technology facilities are needed to support that architecture. Solution architect. Solution architecture (SA) is a complex process – with many sub-processes – that bridges the gap between business problems and ...
